

Follow-up Questionnaire

Pall Mall, Ventnor

The purpose of this questionnaire is to determine whether there is majority support among property owners along Pall Mall for one of the example design options.

As Example 2 (road sealing with concrete edging and traffic calming) received the highest level of support, Council is now seeking feedback specifically on this option.

Property owners are invited to complete the survey below to indicate their support for or against Example 2.

If a clear majority for this example is not identified, Council may decide not to proceed with a special charge scheme.

Please only submit one survey per property.

Please return this questionnaire by **28 August 2026**.

Before completing the questionnaire, we encourage you to read:

- Letter to property owners
- Design example 2 (attached)
